The HEERF fund provided money to institutions for emergency financial aid grants to college students whose lives have been disrupted by the COVID-19 pandemic, many of whom are facing financial challenges and struggling to make ends meet. The emergency funds must be used to cover expenses such as food, housing, course materials, technology, health care, and childcare.

As you were an SBC student when the COVID pandemic began, you are eligible to receive an emergency aid grant. By endorsing the enclosed check, you are acknowledging you will use the funds to cover the

allowable expenditures listed above. Students who receive funding from their institutions are not required to record or track how it is spent.
