### 4.48 Overall quality of the education provided by Sitting Bull College

- I'm very proud to be a graduate
- I really enjoyed all classes and they were very informative
- Very challenging courses and very good help from instructors.
- Varies with instructor, as always
- Love the small classes and personal attention,

### 4.64 Overall quality of help form your academic advisor

- If it wasn't for Roxy I wouldn't be graduating
- Mr. Buresh is excellent. Even when he didn't have office time, he is very thorough with the e-mails
- Very helpful in which classes to be taken every semester
- Very little help given.
- Almost every teacher has been extremely helpful

### 4.39 Overall quality of teaching skills of your instructors

- I've learned so much information, and the teaching skills of all my instructors was excellent. I'm very proud of our college
- I learned a lot from each one and became unafraid of college; some teachers did not know much about the subjects they were teaching
- Great instructors, willing to go an extra mile for their students.

- Most are very good, some need experience
- Most teach from behind a desk sitting on a chair. Lack of opportunity for students to come out of this field actually prepared for teaching. The students can only be as good as the education they are receiving. Lack of technology based instruction, good people, and poor instruction.
- Almost every teacher has been very knowledgeable in their subject area

#### **3.84 Overall quality of services provided by Student Support Services**

- Enjoyed tutor
- Very helpful and informative
- Did not use student support services program
- I don't think I used this

#### **4.59 Overall quality of services provided by Financial Aid**

- Good job, Donna
- Thanks, Donna for all your help
- Always willing to help and to find financial aid
- I love the Financial Aid Dept, Donna is worth her weight in gold.
- Donna is wonderful to work with.
- This is an individual that SBC should retain for as long as possible. I received more help from Donna than anyone involved in the Education Department, Not sure where I would be if it was for her.
- Donna is awesome!!

#### **4.67 Overall quality of services provided by Registrar's office**

- Good job, Melody
- Melody your great
- Great guidance and support.
- Very helpful
- Another Department with a superior individual. Was always there to assist and help in all areas of my Education with SBC. Between Financial Aid and the Registrar's office, I'm not sure which one is appreciated more. Two people I owe for helping along the way. SBC wouldn't be the same without these two.

#### **4.35 Overall quality provided by Business Office**

#### **3.74 Overall quality of student organizations**

- I wasn't part of any organizations during my time at SBC.
- Don't go to any
- Could be a little more organized – better marketing
