I am happy to be graduating with my Bachelors. I never imagined I would get this far in my life. I am grateful to all who helped me achieve this degree. It's not only mine but everyone's who ever stayed late to help me or came in on their day off, those are the kind of things I will be forever grateful for. SBC is a great experience.

All of my instructors were helpful and I loved my classes.

My instructors were helpful and knowledgeable.

Different teaching methods might help with others, for example doing more hands on work instead of a lot of reading.
