Question:	If you answered yes to the above question, list school(s) you are transferring or considering transferring to.
Response Rate:	45.83% (11 of 24)
1	University of Mary, University of North Dakota, North Dakota State University.
2	United Tribes college
3	Sanford Nursing School
4	Morris University
5	If SBC has a Master's in Business upon completion of my Bachelors Degree (2018) I intend on staying here. However, if they do not, then I want to go to UND.
6	I'm thinking about transferring to Grand Forks to attend UND.
7	I'm not sure where I would like to transfer to. I plan on working for awhile and then continuing my education.
8	I will be transferring to North Dakota State University.
9	I am waiting for the college to get a 4 year degree in Social work, then pursue my degree in Social Work.
10	I am considering transferring to NDSU, but I have not yet decided.
11	I am considering University of Mary and NSDU Sanford School of Nursing

Question:	Comments - Registrar
Response Rate:	29.17% (7 of 24)
1	keep it the way it is I like it
2	The registrar is always very helpful in answering questions and does so in a timely manner.
3	Thanks for the help when I needed to registrar .
4	Sometimes they are grouchy which is a real turn-off. I want to be supportive and greeted with a warm welcome.

5	Registrar is always helpful whenever I go to them. I have no issues with registrar!
6	I think Melody A. the current Registrar at SBC does a very excellent job. she always is very helpful whenever I needed anything, and also very Prompt in doing so!
7	Good Job.

<b>Question:</b>	<b>Comments - Financial Aid</b>
<b>Response Rate:</b>	<b>45.83% (11 of 24)</b>
1	Thanks be to this for helping me to be an achiever in things that I never thought I could achieve and that's getting my education.
2	NEVER had a problem with this, never had to sit in a long line to wait or anything!
3	Lady is grouchy and it made me very upset a few times.
4	It would be nice to have someone who could answers your questions when you have them. and inform you of issues with your budget, etc. Having to wait til disbursement to find out anything really isn't fair. It would also be nice to know when you received a scholarship and have it applied faster to our account. Better communication overall.
5	If it weren't for Donna's help, there's no way i would have been able to afford my last semester. But she pushed me to apply for different programs and scholarships after my tribe (fort peck sioux/assiniboine tribe) denied to help me with financial aid for two years in a row.
6	I have been unhappy with financial aid quite a few times. I think there should be more help offered to new students. Also a warning if you tuition is going to go up for a semester.
7	I have always had funding through the pell grant and SRST higher ed office. I know I will use that funding up very soon and I have the most confidence that the financial aid director will help when I need it.
8	I COULD USE MORE NOW THAT I HAVE A CHILD WHO GETS ALL SUPPORT MAINLY FROM ME.
9	Financial Aid was a huge help in finding scholarships and I am so grateful for them and there services.
10	Financial Aid was always helpful with suggesting scholarships and answering my questions regarding my financial aid! Due to them, I know a wide variety of scholarships for Native Americans now than I did before I started my first semester at SBC.
11	Donna does a very excellent job as well being the current financial aide officer. she has helped me to find various scholarships when I needed them.

<b>Question:</b>	<b>Comments - Trio</b>
<b>Response Rate:</b>	<b>29.17% (7 of 24)</b>
1	very good service
2	never used this service
3	Trio helped me tour different colleges that I was interested in and gave me the motivation to continue my education for my Bachelor's degree.
4	Thanks.
5	Not 100% what trio is, i hear a lot about it though. Sorry, I didn't get out much. (:
6	I have not had much experience with the TRIO office yet.
7	I can't remember what this is. Not enough interaction.

<b>Question:</b>	<b>Comments - Counselors</b>
<b>Response Rate:</b>	<b>37.50% (9 of 24)</b>
1	never had an issue nor did I ever us the counselors
2	Through many losses in my family, the counselors were always there to help me stay on track in school. I am very grateful for them.
3	Never ended up needing to see the counselor, but I know they are important.
4	Jackie Owle is a good counselor. I am not impressed with Tiffany Baker. I believe she is biased and doesn't leave her personal issues at the door. I don't feel she is very trustworthy, nor do I feel she can keep matters confidential, like a counselor should be doing.
5	I'm studying to be a Counselor, and I think the current Counselors at SBC do a very good job helping students.
6	I didn't meet the counselors personally, but i believe they do their job quite well.
7	Great.
8	Directing my life to succeed. Thanks.
9	Camille always done an outstanding job. I felt she really made a difference.

3	THANK YOU HENRY BAANG. Helped me pass math just by understanding I didn't get it.
4	I personally didn't have any tutoring throughout my education here at SBC, but i know a couple girls who were tutors for part time and they were great at it.
5	I never used these services
6	I know the tutors are there and are very helpful. I just haven't called upon them for their services yet.
7	I haven't had much experience working with the tutors.

<b>Question:</b>	<b>Comments - My Advisor(s)</b>
<b>Response Rate:</b>	<b>50.00% (12 of 24)</b>
1	tHEY ARE ALL GOOD ADVISORS TO ME, BEST INSTRUCTORS AND ADVISORS I HAVE KNOW
2	They helped keep my courses on track and helped me graduate with everything needed for my degree.

3	Roxy has always been such a great advisor. I will admit she's a tough cookie, but I wouldn't change one thing about her. She pushed me to be the best that I could and I am so grateful for that and for the chance to get to learn from her.
4	My new advisor this year has helped me to find the classes I need, and also to finally take "Computer 101" which I have been trying to take ever since I came back to SBC!!!! she has helped me to sign up for it this fall semester 2015. its too bad I'm just now learning about computers and this is my last semester @ SBC.
5	My advisor Roxy I LOVED! she was beyond great, someone I looked up and was always there when I need any assist.
6	My advisors were a huge part of my education and I am grateful that they helped me with my transferring process. They would always help me with whatever I asked them.
7	My advisor really worked with me and made sure I was doing okay in my classes and worked with me for more ways to be successful.
8	Much appreciation to my advisors for making it possible for me to graduate by choosing the classes I needed in order to graduate.
9	Mr. Jeff Moser has been excellent in helping me reach my goals. He always takes the time in between classes to help if I had questions pertaining to any of the classes he teaches. He's awesome.
10	Jean & D'Arlyn, very helpful and supportive.
11	He did a wonderful job putting up with all my questions.
12	Great.

<b>Question:</b>	<b>Comments - Instructors</b>

1	they teachers all do a very excellent job at teaching us what we need to know!
2	tHE BEST
3	Was very good up until my last semester here.
4	They were all very willing to help me one on one.
5	Thanks and much respect to all instructors who take the time and consideration in teaching us our future to a great and successful life. Love you all.
6	SBC has some of the best instructors I have ever been taught by.
7	NEVER had a bad experience with any of my instructors, the love and loyalty they had for the students was beyond great
8	I've always had a good rapport with my instructors and feel they are very good at what they do. I've learned a lot from my instructors! Keep it up!
9	I loved them all.
10	I loved all of my instructors and I am so grateful for all of them. Every instructor always made sure that i was never in the ditch and that I tried my best. I learned so much while attending SBC.
11	I absolutely love all of the instructors at Sitting Bull College. I have never met a single one that didn't take the time to make sure we understood concepts. They become family.
12	Friendly Instructors are important but they are nice people.

<b>Question:</b>	<b>Comments - Student Organizations</b>
<b>Response Rate:</b>	<b>29.17%</b> (7 of 24)
1	Wasn't involved very much due to course of study.
2	Wasn't apart of any student organizations but they seemed fun from what they advertised.
3	Thanks.
4	Organization such as Student Government and the other clubs and chapters that are active at SBC are very important to me. They help students progress in leadership, which I believe is a necessary skill in life.
5	Not a lot of interaction on my part.
6	Never really had experience with this but I love how involve the organizations were in college meetings all the time and plus meals provided
7	I know the student organizations are there, but I have been so busy this semester that I didn't pay much attention to the activities that they put on for us.

<b>Question:</b>	<b>Comments - MySBC Gradebook</b>
<b>Response Rate:</b>	<b>50.00%</b> (12 of 24)
1	Very important to me, i check it once a week throughout the semesters and daily after finals! Very helpful.
2	To keep me motivated on what I need to push myself in order to get a good grade.
3	Never had a problem with this minus in Lakota NEVER uses mysbc, hard to tell if you are failing or passing! it would be helpful if they used it more for the sake of the students then thinking of themselves, that they don't have time!! if other instructors had time they should too!
4	My SBC is the greatest resource for me to look at my grades, financial aid, housing, daycare, employee information and anything else that is going on.
5	MYSBC is a wonderful tool for students who like to work ahead! I myself also love being able to check my grades constantly.
6	It helps students see where they are at in a class. It helps us be accountable.
7	I wish there were more teachers that would update it often.
8	I really enjoy how easy it is to navigate through mySBC! I always get to check on my grades and see how I'm doing; however, a few teachers never really update with grading assignments until midterms or finals and it'd be nice to see how my grades are everyday after an assignment rather than waiting until midterms or after finals.
9	I missed the formal training for the MYSBC page, but I learned quickly how to utilize the page. I just wish this was there for us to use even after we Graduate and move on with our lives!
10	I feel that every instructor should have to use MySBC. And not just to enter grades. Course work along with other material should be posted on this resource. Some instructors are stuck in the dinosaur era and need to be in the 21st century.
11	Great.
12	A good tool to keep with grades and assignments!

5	Love the staff at the business center very helpful and friendly
6	Great.

2	Very important! I love Tracey she does such a wonderful job running the bookstore! I just love her personality and her willingness to help!
3	Thanks for being nice and helping us students to find the book we need for our classes.
4	LOVE LOVE the book store, very helpful great prices great merchandise
5	I'd starve to death if it weren't for the bookstore's deli sandwiches :)
6	I wish there were more people working in there so it wouldn't be closed some of the time.
7	I love the bookstore.
8	I love Tracy!
9	Great, Manager Tracey seems very grouchy.

<b>Question:</b>	<b>Comments - Kampus Kids Daycare</b>
<b>Response Rate:</b>	<b>25.00% (6 of 24)</b>
1	Very disorganized and I was charged for days my child didn't go even though they didn't accept them due to short staff.
2	The Kampus Kids Learning Center is very very important for students. We are very lucky to have the facility right on campus.
3	Thanks for keeping our children safe and intertained.
4	I don't utilize this program
5	I don't have any little kids that needed their services, but I'm so glad that they are there for the young students who have little ones!
6	Don't have kids, so doesn't really concern me at all. I thought they were still closed to be honest so shows how much I know.

<b>Question:</b>	<b>Comments - Campus Housing</b>
<b>Response Rate:</b>	<b>33.33% (8 of 24)</b>

3	I lived in McLaughlin, So doesn't concern me either..
4	I live off campus
5	I NEED A HOUSE NOW THAT I HAVE A CHILD
6	Great Sterling is a great worker.
7	Campus housing was a great place to live when going to school here but I wasn't able to get the repairs I needed done right away.
8	Although I no longer live on campus, it was my children and i's first home. I will always be grateful for the campus housing.

<b>Response Rate:</b>	<b>25.00% (6 of 24)</b>
1	heard it's good.
2	Thanks for getting us to school when we need it.
3	THEY ONLY RUN A COUPLE TIMES A WEEK. NOT RELIABLE AT ALL
4	I'm so glad that public transportation is there for us students. one semester I rode the bus faithfully to school all semester. that was before I owned a car. it is an excellent service even if you are not a student. it has helped me to make it to my Doctors appointments in Bismarck many a time!
5	I drove my own vehicle
6	I drove my own car every single day to class, so doesn't concern me.

<b>Question:</b>	<b>Comments - Overall quality of education</b>
<b>Response Rate:</b>	<b>54.17% (13 of 24)</b>
1	Very good.
2	The quality of education is very unique. I have never been around so many people who wanted to see me succeed so much. I feel like we are not rushed through or floated through school, our instructors take notice of when we are struggling and make time to catch each student up. I feel that we leave with a better understanding and we are better prepared to enter a University if we choose to do so.
3	My overall quality of education here at SBC was the best, I feel like I am the most prepared to go out into my career field and be successful or to go on to my Bachelor's degree and be successful. I am even coming back for summer classes to take elementary statistics here after I graduate.
4	Much appreciation to everyone in this school to get me on my way to a better and successful life.
5	It was the most fun I ever had while going to school.
6	Im very satisfied with the quality of education that I have received at SBC. They do a very excellent job in helping their students achieve their educational goals. They have helped me to attain my Associates Degree a few years ago. I have been chasing after my Diploma for years and finally attained it! THANK YOU SBC FOR ALL YOUR SERVICES TO ME!!! May God Bless SBC!!!
7	I'm quite satisfied, I'm very glad that i chose to pursue my nursing education here. Great instructors.
8	I'm happy that I got to experience new challenges and opportunities at Sitting Bull College. Attending Sitting Bull College significantly improved my education and has expanded my connections with people.
9	I was very happy with the teachers at this school. They were very helpful and understanding of their students. I have built friendships with almost all of them. I will strongly recommend this school to anyone that ask.
10	I loved every moment of attending SBC and I am wanting to further my education and get my Bachelors in HS. at SBC
11	I loved SBC!! such a great family to be part of, everyone knows everyone, everyone is always so help full and willing to help. a positive atmosphere
12	I happy with instructors that are in my degree field. However, the instructor in the human services field should be evaluated more and her teaching methods defiantly need to improve.
13	I feel I received quality learning at Sitting Bull College. I always be grateful for the education I've received! I wish they had a 4 year program for Nursing because I would stay! Sitting Bull College rocks!!!

<b>Question:</b>	<b>Last Chance for any comments regarding this survey, other services not listed in this survey, etc.</b>
<b>Response Rate:</b>	<b>33.33% (8 of 24)</b>
1	The only bad experience at the college was that Lakota class never uploads grades only seen one grade ever that was during midterms. it would be helpful because if I know I was going to fail the class I would of withdrawl so that F wouldn't mess with my GPA. If attendance was going to be part of the grading it should be posted on a weekly bases if we missed class be docked points or however. When I did email the instructor NEVER received a email back EVER! such a sad experience that made me not enjoy that class one bit!
2	None.
3	N/A
4	I would recommend attending SBC to any young adult who is looking for an Excellent Quality Education! it has helped me a lot of which I'm so Grateful!!!!
5	I really think the students and staff would benefit from a cafeteria and a ATM
6	Good Job. (:
7	Getting ready for graduation was a little much, I have graduated from Northern State and it was not this difficult. There was a lot of papers to be turned in and there was many things that needed to be submitted before graduating. Also it was hard for everyone to communicate about graduation when we are from all over. I think it would be easier if Sitting Bull College picked a color for a the departments so that this decision is already made for the students. I also think that Graduation should be help on a weekend. Some of the students that attend are employed. I personal had to use a PTO day to attend.
8	Also, I had an issue with an instructor and I went to the dean of academics to get help withe the situation and confidentiality was broken. When I stepped into her office I knew right away she was not there to listen to me, she was there to defend the instructor. Dr. Vermillion expressed that she is here for the students, I feel that these two faculty members and not here for the student and are only looking out for themselves. Students have complained about this instructor but will not take it the next step because they are afraid it will affect their grades. I hope something happens because it is not right. Students should not have to suffer because a teacher wants to take the easy way out.
